To Whom it May Concern,

The 2017 "Honorine St. Jude Golf Classic" will take place on July 24, 2017 at Silvermine Golf Club in Norwalk, CT. Net proceeds from this event will be donated to St. Jude Children's Research Hospital.

St. Jude Children's Research Hospital opened its doors, becoming the first children's hospital to bring research and patient care together under one roof. Since opening in 1962, St. Jude has treated children from all 50 states and more than 70 countries. For five decades, St. Jude has advanced the research and treatment of pediatric cancer, as well as sickle cell and other childhood illnesses.

St. Jude is the only pediatric cancer research center where families never pay for treatments that are not covered by insurance, and families without insurance are never asked to pay. Thanks to the fundraising efforts of events like "Honorine St. Jude Golf Classic", St. Jude is able to remain true to these principles, and consistently support families in their time of need.
